

# Celebrate Yellow Rose Week

Help Someone In Need June 4 - 8

Yellow Rose Week is the primary fund raiser for the Suzanne Jacobson Memorial Fund, a service of the Prairie Lakes Healthcare Foundation. This fund provides grants to people with life-threatening illnesses in need of financial assistance due to a medical crisis. Since its inception the fund has provided \$325,718 through 682 grants. We need your support to continue this much needed program!

*The Suzanne Jacobson Memorial Fund was created in memory of Suzanne Jacobson, a Watertown physician's assistant and community healthcare advocate who lost her life to cancer in 1998.*
