A MESSAGE FROM YOUR PUBLIC WORKS

SUPERINTENDENT BRANDON COLLINS

Winter is upon us in full force and our crew would like to remind you of a couple important things. Snow removal efforts have been going smoothly thanks to all of the citizens being diligent in removing vehicles from the streets. We really do appreciate the effort and it makes our job a lot easier. When snow is being removed from your own property, driveways, or parking lots please remember Ordinance 6-3-1 stating "No snow shall be removed by anyone onto an alley, street, or adjoining property." If there are concerns or questions especially for the folks owning businesses on Main Street, please call us and we can work out a solution. Winter has just begun and I'm sure Mother Nature will have a lot more to say before it's all over.

AFTER HOURS:

If you need to contact City Personnel after normal working hours please call the City Office at 605-874-2121. The message will have the name and cell phone number of the person who is on call.

PLEASE SLOW DOWN

IN THE ALLEYS!!

We have received numerous complaints about speeding in the alleys. Alleys are SERVICE ROADS, NOT STREETS! Ordinance #7-1-1 States speed limits should not be in excess of 10 MPH in any alley or driveway. Stopping is also required when emerging from an alley approaching a sidewalk or street.

SNOW REMOVAL

Make sure your vehicles are removed from the sides of the streets during snow removal efforts this winter. Vehicles may be ticketed or towed.

Ordinance # 6-3-1 states: no snow shall be removed by anyone onto an alley, street, or adjoining property.

Read – Explore – Create at Your Library

The 2022 year has finally ended, and the year 2023 is bound to bring some change. However, we would like to remind people what we offer since it's so much more than just books! Speaking of books, we'd like to remind everyone to stop and look at our new shelf which you can find online, or in person through our family-friendly movies.

We offer a multitude of opportunities to our public even if you don't have a library card with us. We have our Summer Reading Program, Friday Fundays, Lego Club, Teen Day, and Computers. We also can print, scan, fax, and laminate, which you can use at a base cost of 15 cents per item. The price may vary. If you have a card, you can check out our wide selection of movies, audiobooks, and magazines. We also offer a digital projector, cd player, or portable DVD for any occasion.

The Library staff will also help with the online renewal of Drivers Licenses, studying for the GED test, apply for your hunting license online, along with helping you navigate through whatever internet site you need to use. If you wish to get in contact with the library, you can find us: at library@itctel.com; on Facebook at -clearlakebooks; on Instagram at -cl_sd_libr-ary; or by phone at 874-2013. We look forward to serving you here... at the library.
