### OWNER:

Name: City of Clear Lake  
Address: 125 3<sup>rd</sup> Avenue S, Clear Lake SD  
Phone: 605.881.8056  
CONTACT: Elliott Furman

## PROJECT UPDATE AND SCHEDULE

AP & Sons has finished installing the water main in the areas shown on the map (highlighted in orange). The water was tested for bacteria, and the results met all drinking water safety standards. A pressure test was also completed and passed.

The crew has begun installing storm sewer on 7th Avenue and has started putting in permanent water service connections. Over the week of the 25th, they will continue working on the water services and storm sewer and will also begin grading and shaping the roadways in preparation for cement stabilization.

*Reminder residents will experience a brief water interruption when their service is switched from the temporary line to the new permanent connection. Additional notice will be provided before any service disruptions.*

If you have questions or concerns about the project, please feel free to contact Justin Eccles with AP & Sons or Banner Associates.
