CONTACT: Justin Eccles

OWNER:
Name: City of Clear Lake
Address: 125 3rd Avenue S, Clear Lake SD
Phone: 605.881.8056
CONTACT: Elliott Furman

PROJECT UPDATE AND SCHEDULE

AP & Sons continued work on storm sewer installation and base course grading. Storm sewer pipe and inlets were installed at the intersections of 7th Avenue and 2nd Street, as well as 8th Avenue and 2nd Street. Following completion of these intersections, storm sewer pipe installation proceeded along 2nd Street.

Curb and gutter installation began on 8th Avenue; however, work was temporarily delayed due to a breakdown of the curb and gutter machine after the west side of 8th Avenue was completed between 2nd Street and 1st Street. Concrete curb and gutter installation is scheduled to resume on August 25 and continue throughout the remainder of the week.

REMINDER: Residents without alley access can expect temporary restrictions to driveway access while the newly installed curb and gutter cures. Please use adjacent streets for parking during this time.

If you have questions or concerns about the project, please feel free to contact Justin Eccles with AP & Sons or Banner Associates.
